Dear ASA Members

### **CIRCULAR 6 OF ASA 2022 - ASA QUALIFYING STANDARDS FOR SA CHAMPIONSHIPS**

The need for qualifying standards for the different SA T&F Championships has been noted by many provinces. The T&F Commission and other stakeholders looked at standards that keep the integrity and standard of the different championships, and also looked at the development of our athletes especially in certain events where there is a need to achieve more depth.

We have also considered that many of our provinces are at an altitude of 1300m and more above sea level. Please see attached ASA qualifying standards for SA Championships.

Kind Regards,

Terrence Magogodela
