Dear ASA Members

CIRCULAR 1 OF ASA 2022 – ASA WELCOMES 2022 ATHLETICS SEASON

Athletics South Africa re-opened its doors on Monday, 10 January 2022, welcoming what promises to be a comeback season for the sport after it suffered much over the past two years because of the outbreak the Corona virus worldwide.

ASA had taken a festive season break over on Wednesday, 15 December 2021.

“We trust you had a safe and responsible festive season and we wish you all a Happy New Year,” said James Moloi, the President of ASA. “From bucket lists to resolutions, I hope you tick them all off. We believe that this year is filled with great possibilities, so we urge you to dream big and to firmly believe in yourselves.

“The new athletics season comes with new challenges to conquer and we are confident that we can all do absolutely anything we set our collective mind to in 2022. We will start the season with the ASA 35km Race Walking Championships and Inter-Provincial Race Walking Challenge at Loungsfield Military Base in Cape Town.

“At this point, we applaud our Associate Member from the Military for heeding our calls of many years to play host to athletics events. We hope this will now set precedence for the Correctional Services and SA Police Services to follow suit.”

“We also hope that this year’s competitions will give followers an opportunity to satisfy their hunger of athletics as we look forward to witnessing new rivalries, new champions and new records at national and world stage from the very young to the elite athletes.”

Kind Regards,
